

# The Corrs, Judy

Judy has her own desire  
She wants to step into your fire  
She wants you tangled in her web  
She wants the flame never to tire

She's wanting  
She's tripping  
And she's falling...  
Can you catch her...  
Now she's calling...  
Can you hear her...  
She's falling down

Judy wants to love so much  
Can it release her from her hurt  
Judy's dreaming of your touch  
She'll smother you till it's too much

She's wanting  
She's tripping  
And she's falling...  
Can you catch her...  
Now she's calling...  
Can you hear her...  
She's falling down

She's falling down  
She wants to drown  
Within your heart  
She'll never part  
She's falling down
