

# The Corrs, No More Cry

I wanna feel just like before, before the rain came in my door  
Shook me up, turned me round and made me cry till I would drown  
Stole the daylight, brought the night, so much anger I would fight  
Lost my youth, I'm in the blue, saw all the loneliness in you  
Wanna help you, give you love, shine some light up from the mud  
Fill the empty, find a rhyme to brighter day and better time  
But I'm wondering where I'm gone, can't find the truth within my song  
All I have I give to you to let you know you're not alone

I'm telling you  
I'm smiling for you only  
I'm trying for you solely  
I'm praying for you only  
No more cry, no more cry

I wanna hear you laugh again, without the ache to bring you down  
No we'll never be the same, if only I could take your pain  
If it's true what people say, there still is beauty in each day  
We'll find comfort in her strength and one day soon we'll meet again

I'm telling you  
I'm smiling for you only  
I'm trying for you solely  
I'm praying for you only  
No more cry, no more cry  
(only)  
I'm singing for you only  
Hey, I worry for you only  
I'm praying for you only  
No more cry, no more cry

Reach out for your love (Reach out for your love)  
Shout out for your love (Shout out for your love)  
Listen for your love (Listen for your love)  
Believe in her love (Believe in her love)

I'm telling you, I'm telling you  
I'm smiling for you only  
I'm trying for you only  
I'm praying for you only  
No more cry, no more cry (Cry, cry)  
I'm singing for you only  
Hey, I worry for you only  
But its you who saves me from lonely  
No more cry, no more cry (Cry, cry)

No, no more cry  
No more cry  
No more cry  
No more cry...
