

The Corrs, Say

Gone are the days when I was young and free
The future I can see
Gone are the days of precious love
Relied on, and leaned on
So many days of sleepless nights
By your side, and why oh why
I never thought that it would be like this
My first love, the last time

But if he say say says that he loves me
I can cry, I can smile
But if he say say says that he needs me
There's a light, there's a light
Light for me

So many things that I would like to say
But he took you, took you away
So many things I'd like to ask
It's no good 'cos you're not here
I hear a voice, I see you laugh
And if only you were here
You see the night and I the day
But sometime we'll walk away

But if he say say says that he loves me
I can cry, I can smile
But if he say say says that he needs me
There's a light, there's a light
Light for me

Never wanna feel that again, that again
Never wanna feel that again

Lean on, gotta rely on
Don't leave me, don't leave me
Lean on, gotta rely on
Don't leave me, don't leave me
(Lean on, gotta rely on) Gone are the days when I was young and free
Don't leave me, don't leave me
(Lean on, gotta rely on) Gone are the days of precious love
Relied on and leaned on

But if he say say says that he loves me
I can cry, I can smile
But if he say say says that he needs me
There's a light, there's a light
Yeah if he say say says that he loves me
I can smile
And if he say say says that he needs me
There's a light, there's a light
Light for me

Yeah, light for me...
Say...

So many things I'd like to say
But he took you away, took you away
So many things I'd like to ask
He took you away, took you away
