

The Corrs, Somebody Else's Boyfriend

Someone else's man has captured my heart
Attention seeking maybe, and it's tearing me apart
I tried my best to charm him into letting her go loose
But he keeps me from retrieving with another good excuse

Though I'd hate it done to me, I'm as busy as can be, still

Runnin' after somebody else's boyfriend
Runnin' after somebody else's boyfriend

Though I realise this game will have to stop
Each day you're diggin' deeper still tryin to get on top
I lie awake at night thinking things could be just fine
When I bring you to believin' that your love should be mine

Though I'd hate it done to me, I'm as busy as can be

Runnin' after somebody else's boyfriend
Runnin' after somebody else's boyfriend
Still runnin' after somebody else's boyfriend
Runnin' after somebody else's boyfriend

Still runnin', still runnin', still runnin', still runnin

Although I'd hate it done to me
Although I'd hate it done to me, I'm as busy as can be, still

Runnin' after somebody else's boyfriend
Runnin' after somebody else's boyfriend
Runnin' after somebody else's boyfriend...

Someone else's man has captured my heart
Attention seeking maybe, and it's tearing me apart
I tried my best to charm him into letting her go loose
But he keeps me from retrieving with another good excuse

Though I'd hate it done to me, I'm as busy as can be, still

Runnin' after somebody else's boyfriend
Runnin' after somebody else's boyfriend

Though I realise this game will have to stop
Each day you're diggin' deeper still tryin to get on top
I lie awake at night thinking things could be just fine
When I bring you to believin' that your love should be mine

Though I'd hate it done to me, I'm as busy as can be

Runnin' after somebody else's boyfriend
Runnin' after somebody else's boyfriend
Still runnin' after somebody else's boyfriend
Runnin' after somebody else's boyfriend

Still runnin', still runnin', still runnin', still runnin

Although I'd hate it done to me
Although I'd hate it done to me, I'm as busy as can be, still

Runnin' after somebody else's boyfriend
Runnin' after somebody else's boyfriend
