The Corrs, The Winner Takes It All

I don't wanna talk about things we've gone through Though it's hurting me, now it's history I've played all my cards, and that's what you've done too Nothing more to say, no more ace to play The winner takes it all, the loser standing small Beside the victory that's her destiny

I was in your arms thinking I belonged there I figured it made sense building me a fence Building me a home thinking I'd be strong there But I was a fool playing by the rules The judges will decide, the likes of me abide Spectators of the show always stand alone The winner takes it all, the loser standing small Beside the victory that's her destiny

But tell me does she kiss like I used to kiss you Does it feel the same when she calls your name But somewhere deep inside you must know I miss you But what can I say, rules must be obeyed The judges will decide, the lies as cold as ice When someone way down here loses someone dear The winner takes it all, the loser stands small Its simple and it's plain, to whom shall I compain

I don't wanna talk if it makes you feel sad And I understand, you've come to shake my hand I apologize if it makes you feel sad Seeing me so tense, no self-confidence The winner takes it all, the loser standing small Beside the victory that's her destiny

The winner takes it all (so the winner takes it all)
The winner takes it all (and the loser has to fall)
The winner takes it all (so the winner takes it all)
The winner takes it all (and the loser has to fall)
The winner takes it all (so the winner)
The loser standing small (takes it all)
Beside the victory (and the loser)
That's her destiny (has to fall)
The winner takes it all
