

# The Courteeners, If It Wasn't For Me

Everyone's saying that you're here for me  
But you're here for them  
If it wasn't for me, if it wasn't for me  
Then you would even not know them

You move in those circles  
For a brand new squeeze  
For an average girls with bad teeth  
You'd do anything to please

It makes me cringe  
I'd like to stick a syringe  
In your arm  
Sedate you, then berate you  
Trying to make you  
Steer clear from harm

If it wasn't for me then you wouldn't know them  
If it wasn't for me then you would not know them  
If it wasn't for me then you wouldn't know them

Everyone's saying that you're here for me  
And that's rubbish, you're here for them  
If it wasn't for me, if it wasn't for me  
You wouldn't even know them

You move in those circles, what for?  
For a brand new squeeze  
For an average girl with a bad fringe  
Who you'd do anything to please

It makes me cringe  
I'd like to stick a syringe  
In your arm  
Sedate you, then berate you  
Trying to make you  
Steer clear from harm

If it wasn't for me then you wouldn't know them  
If it wasn't for me then you would not know them  
If it wasn't for me then you never know  
If if wasn't for me then wouldn't know them
