

The Cover Up, Go Get Em' Tiger

You Monsters!
Stop the tape!
You've been privileged by getting me here ask away
Yeah this money has blood on it
This money has blood on it
I sell you all
So never ask a question
Never even think
Take these allegations away
Whoa
We go downward it's generally obvious
I had a little feeling
You weren't coming back for me
Whoa
State of the Union Now
We're all made up of chessboards and pawns
Sounds like a good plan to me Ok
Sounds like a good plan to me Ok
God, please wake up
Never a question
Never even think
Take these allegations away
Whoa
We go downward it's generally obvious
I had a little feeling
You weren't coming back for me
Whoa
We sleep soundly in spite you asking us
To forfeit our own hearts
I want someone to follow me
Dance Motherfucker, Dance
