

The Cover Up, I'm Causing More Family Feuds T

This Rock n Roll Saves My Life
I'm not Fucking around, Look at my eyes
YEAH! We get high, We get sober
YEAH! We by, We get nowhere (we get nowhere)
I cant believe I got here so fast
I cant believe I got here so fast
So when I fall apart for days
Falling fast asleep I'll take this to my grave
I'll need it when I go Fall apart for days
Falling fast asleep I'll take this to my grave
I'll need it when I go
Reach for the night This is are time
I'm taking em back (my wishes)
I'm taking em all back
I tried to leave and I ended right here
I tried to leave and I ended right here
So when I fall apart for days
Falling fast asleep I'll take this to my grave
I'll need it when I go fall apart for days
Falling fast asleep I'll take this to my grave
I'll need it when I go
Just breathe this in
Just breathe this in
I plead the fifth I need this shit
I'm in for it
