

# The Cr, Birthday

Roll out of bed, look in the mirror  
And wonder who you are  
Another year has come and gone  
Today is your birthday  
But it might be the last day of your life  
What will you do if tomorrow it's all gone?  
You won't be young forever  
There's only a fraction to the sum  
You won't be young forever  
Nor will anyone  
So...

Look at your life, who do you want to be before you die?  
Look at your life, what do you want to do?  
Look at your life, who do you want to be before you die?  
Look at your life, you haven't got forever  
And tell me what really matters  
Is it the money and the fame?  
Or how many people might eventually know your name?  
But maybe you touch one life  
And the world becomes a better place to be  
Maybe you give their dreams another day  
Another chance to be free  
Happy birthday  
Happy birthday  
Look at your life, who do you want to be before you die?  
Look at your, what do you want to do?  
Look at your life, who do you want to be before you die?  
Look at your life, it all comes back to you.
