

The Cr, Immortal

Na, na na na na, na

Na, na na na na

I do not know the mind of God and I cannot guess His thoughts

But I have searched for you across the void when my sense of self was lost

The answer stands to brush my grasp in the darkness and the pain

And I saw myself for all I am, the decisions I have made

With hearts immortal, we stand before our lives

A soul against oblivion, forever asking why

This upside down symphony in a paradox called life

Our hearts immortal

What you give to love, will never die

Na, na na na na, na

Na, na na na na

And when my ashes scatter here with my memories to the wind

What endures beyond the silent edge is the essence found within

Have we forgotten truly who we are and what our living means

Our purpose lies in others eyes and the realities that we bring

With hearts immortal, we stand before our lives

A soul against oblivion, forever asking why

This upside down symphony in a paradox called life

Our hearts immortal

What you give to love, will never die

All that I am

And all that I dream

Lives somewhere beyond

Your image of me

And who I become

And what I will be

Is not yours to decide

It comes only from me

One, two, ready, go

Na, na na na na, na

Na, na na na na

With hearts immortal, we stand before our lives

A soul against oblivion, forever asking why

This upside down symphony in a paradox called life

Our hearts immortal

What you give to love, will never die

With hearts immortal, we stand before our lives

A soul against oblivion, forever asking why

This upside down symphony in a paradox called life

Our hearts immortal

What you give to love, will never die

Our hearts immortal, we stand before our lives

A soul against oblivion, forever asking why

This upside down symphony in a paradox called life

Our hearts immortal

What you give to love, will never die
