The Cramps, Strange Love

Strange love, cutest thing I ever seen Strange love, cutest thing I ever seen You remind me of somethin' that I have seen in a dream

Can I take you out to dinner, some place where we can be alone Can I take you out to dinner, some place where we can be alone Tell you how much I love you, then let me hold you in my arm

You asked me there's honey, love to be your honeycomb You asked me there's any honey, I love to be your honeycomb Then when the time is right darling there'll be some lovin' goin' on
