

The Cranberries, Cape town

I'm anticipating my trip to Africa
How i have always been waiting
Far too long
I'm not going to soundcheck
There's too much to do
I'm not going to soundcheck
I might fall for you
Rum dum dum dum dum day Africa
Rum dum dum dum dum day fall for you
Five o'clock in the morning
My feet will touch the ground
Five o'clock in the morning
No no sound
We could take a safari
All around
Go see Table (top) Mountain
In Capetown
Rum dum dum dum dum day Africa
Rum dum dum dum dum day fall for you
