

The Cranberries, Disappointment

Disappointment you shouldn't have done
you couldn't have done
you wouldn't have done
the things you did then
And we could've been happy
What a piteous thing, a hideous thing
was tainted by the rest

But it won't get any harder
And I hope you'll find your way again
And it won't get any higher
But it all boils down to what you did there

In the night we fight, I fled you're right
It was exactly there
I decided

But it won't be any harder
And I hope you'll find your way again
And it won't get any higher
But it all boils down to what you did there
