

The Cranberries, Electric Blue

Electric blue eyes, where did you come from
Electric blue eyes, who sent you
Electric blue eyes, always be near me
Electric blue eyes, I need you

Domine, Domine, Deus
Domine, Aduva Me
Domine, Domine, Deus
Domine, Aduva Me
Hey, eh, hey, eh

If you should go, You should know I love you
If you should go, You should know I'm here
Always be near me, guardian angel
Always be near me, there's no fear

Domine, Domine, Deus
Domine, Aduva Me
Domine, Domine, Deus
Domine, Aduva Me
Hey, eh, hey, eh
