

The Cranberries, Empty

Something has left my life
And I don't know where it went to
Somebody caused me strife
And it's not what I was seeking

Didn't you see me, Didn't you hear me
Didn't you see me standing there

Why did you turn out the lights
Did you know that I was sleeping

Say a prayer for me
Help me to feel the strength I did
My identity, has it been taken
Is my heart breakin, on me

All my plans fell through my hands
They fell
Through my hands, on me
All my dreams, it suddenly seems
It suddenly seems
Empty
