

# The Cranberries, Free To Decide

It's not worth anything more than this at all  
I live as I choose or I will not live at all

So return to where you've come from  
Return to where you dwell  
Because harassment's not my forte  
But you do it very well

I'm Free To Decide, I'm free to decide  
And I'm not so suicidal after all  
I'm Free To Decide, I'm free To decide  
And I'm not so suicidal after all (at all, at all)

You must have nothing more with your mind to do  
There's a war in Russia and Sarejevo, too

So to hell with what you're thinking  
And to hell with your narrow mind  
You're so distracted from the real thing  
You should leave your life behind (behind)

I'm Free To Decide, I'm free to decide  
And I'm not so suicidal after all  
I'm Free To Decide, I'm free to decide  
And I'm not so suicidal after all (at all, at all)

I'm Free To Decide, I'm free to decide  
And I'm not so suicidal after all (at all, at all)

At all, At all, At all
