

The Cranberries, Liar

Say it if you want to, and say it if you will
But if you don't say what you are thinking
And I won't take too kindly to it
Well, all I want is something special
And you can't give it to me
And all you do is lie to me
'Cause you're a liar, liar liar

I will run, I will fight
I will take you through the night
Night, night, laaahaa
I will run, I will fight
I will take you through the night
Night, night, naahaaa

Say it if you want to, and say it if you choose
Because if you don't say what you are thinking
No I won't take too kindly to it
Well, all I wanted was something different
And you couldn't give it to me
And all you do is lie to me
So you're a liar, liar, liar

I will run, I will fight
I will take you through the night
Night, night, laaahaa
I will run, I will fight
I will take you through the night
Night, night, laahaaa
laahaaa, laahaaa

I will fight you, I fight you
I'll find it in you, liar
Liar, liar, liar
That you're a liar, liar, liar
Liar
