

# The Cranberries, Nothing Left At All

Now it's over but the thoughts of you go on  
Nothing here, nothing left at all  
Oh, and how, how I swore I'd never feel like this again  
But then you, then you brought it through  
Oh no, is there any reason I should walk away?  
Is it wrong, is it wrong to want to stay?  
And I know if I'd had the choice I'd never let you go  
Do you know, do you really want to know?  
Now the thoughts of you just circle in my mind  
Hard to find, you were really hard to find  
Oh, and although, though I swore I'd never feel like this again  
Oh no, I can't take it anymore  
Because I know, if I'd had the choice I'd never let you go  
Do you know, do you really want to know?  
And I didn't think, I didn't think I'd  
Think about you in this way  
Well really, you really made my day.  
Now it's over but the thoughts of you go on  
Nothing here, nothing left at all  
Oh, and how, how I swore I'd never feel like this again  
But then you, then you brought it through
