

The Cranberries, The Sweetest Thing

(Promises single 1999)

I am getting ready for my lover
he is coming home to me tomorrow night
I am getting ready for no other
he is the sunshine
the moonlight of my life

He has never had to disappoint me
it was the sweetest thing
the neatest thing in my life

I am getting ready for my lover
He is the sunshine the moonlight in my life

It's only fair if you be there with me
and hold my hand
It's only fair if that you be there with me
and understand
It's only fair if you really dare
to hold my hand
it's only fair that you be there with me
