

# The Cranberries, Time Is Ticking Out

We'd better think about the things we say  
We'd better think about the games we play  
The world went round, around and round

We'd better think about the consequences  
We'd better think about the global senses  
The time went out, the time went out

What about Chernobyl?  
What about radiation?  
We don't know, we don't know

What about deprivation?  
Gluttony, the human nation?  
We don't know, we don't know  
For me love is all, for me love is all  
For me love is all, for me love is all

Time is ticking out

Looks like we screwed up the ozone layer  
I wonder if the politicians care  
And time went out, and time went out

What about our children then?  
Is there nothing left for them?  
We don't know, we don't know  
For me love is all, for me love is all  
For me love is all, for me love is all  
Ahh they need oxygen, ahh they need oxygen  
For me love is all, for me love is all  
For me love is all, for me love is all

Time is ticking out yeah  
The time is ticking out
