The Creatures, 2nd Floor

Apartment door Is left ajar An eye in the glass On the parquet floor

All the guests Have left and gone But I'm still here On the 2nd floor

2nd floor And I still want more 2nd floor

Aftermath In a amber glow A vodka bath For this shipwrecked soul

Seconds fly As the years flow by But I don't care I'm on the 2nd floor

2nd floor And I still want more 2nd floor Coming back for more

Why fear death When death never hurt no one 2nd floor
