## The Creatures, But Not Them

She hates the man and he hates the man because something strong inside has been denied them but not him, Oh not him

He hates the girl and she hates the girl because something weak implied they fought to push aside them but not her - Oh not her

The girl isn't alive - but the man is dead because it's all been said before The girl isn't alive - but the man is dead because you only have your mentor to draw - you whore

dead lumps of meat melt in this heat dead lumps of meat melt in this heat
