

# The Creatures, Don't Go To Sleep Without Me

Don't you go  
Without me  
Don't go  
And  
Leave me here  
When I lie  
On my side  
Feel my heart  
Being crushed  
Falling through  
The spaces  
Falling though  
An unlit scene  
Sleep dust  
On  
Your eyelids  
Mahjong tiles  
Flicker serene  
Play the four winds  
In  
Dim lit bars  
Aqualung feels  
Heavy  
Don't you go  
Without me  
Don't you go  
And  
Leave me here
