

The Creatures, Strolling Wolf

At dusk, though wheat field
Through the olive groves and vineyards
Insects like aeroplanes fly past the strolling man
Crackling spike plant hovering hawk
All on the ground alive
Take a swig of moonshine
Listen to the madness whine
Andalucian
Andalucian sunflowers, bulls, and purple bees
Listen to the lone wolf strolling
Take a swig of moonshine
Taste this heady wine
Andalucian
Andalucian sunflowers, bulls, and purple bees
Lone wolf howling, lone wolf howling
Strolling wolf
Strolling lone wolf
Andalucian
