

The Creatures, Turn It On (black smoker mix by C

All you rely on
Here come the storms
To shatter control
From the war lords
Can you feel the power
It turns me on
Unpredictable

Turn it on
Feel the power
Invincible

Won't play their games
But we're a playful thing
Everything to risk
Everything to sink
Gonna change what I can
Accept what I can't
Because I've got the power
Chameleon

Turn it on
Feel the power
Unpredictable
Feel the power
Untamable
Turn it on

Hurricane and earthquake
Monsoon and tidal wave
Here come the storms
They really turn me on
Unpredictable
Turn it on

It turns me on
Turn it on

Omnipotent
Unpredictable
Untamable
Invincible
Chameleon
Turn it on
