

The Cross, Millionaire

Trash my guitar - I got a lot to spare
Well I can do what I want - it just don't seem fair
Let your fingers do the walking
What you hear is money talking

So love me now
Love me here
Love me good honey
I'm a millionaire
A millionaire

I got a swimming pool
You know it keeps me cool
Got a car that's flash
I gotta rash from cash

Let your fingers do the walking
What you hear is money talking

So love me now
Love me here
Love me good honey
I'm a millionaire
A millionaire yeah

I think I can safely say
I'm on my way to my first million

I say

Hey I'm a famous dude and I just exude
I gotta Cadillac - a bowling alley in the back
Weren't you thrilled to bits - with my Greatest Hits
Ain't I a loveable guy

So love me now
Love me here
Love me good
I'm a millionaire
So love me now
Love me here
Love me good
I'm a millionaire

I'm rich - I am stinking ruddy well rich

Love me now - yeah

He's a lovely geezer na na na na na
I've got no small change
Well you'd better go and get some hadn't you old garcon
He's got lots of money na na na na na

Have to stop now guys - you can't afford me any more
