

The Crowns, Yeeaaaahhh

Yeah,
You don't know what you want
You're such a big shot, big mouth
And that's all that you got,
You got, you got, you got, you got
Yeah,
We aint messing around
We spread love, don't kill
And shake some solid ground,
Some ground, some ground, some ground, some ground
The crowns are out in town
And we've got news for you
Whenever we're around
The place is going down
Best don't make a sound
Cause you don't wanna be found
Your girls are getting crowned
Cause we are out in town
Yeah,
Double laced my shoes
I grab my jacket,
Cause I got nothing to lose
To lose, to lose, to lose, to lose
Yeah,
You're face starts to glow
You're getting wasted
And act like a fool
A fool, a fool, a fool, a fool
