The Cult, Born To Be Wild

Get your motor running Head out on the highway Looking for adventure And whatever comes our way

Yeah darling, gonna make it happen Take the world in a love embrace Fire all of your guns at once And explode into space

I like smoke and lightning Heavy metal thunder Racing with the wind And the feeling that I'm under

Yeah darling, gonna make it happen Take the world in a love embrace Fire all of your guns at once And explode into space

Like a true nature's child We were born Born to be wild We can climb so high I never wanna die

Born to be wild Born to be wild, yeah

Get your motor running Head out on the highway Looking for adventure And whatever comes our way

Yeah darling, gonna make it happen Take the world in a love embrace Fire all of your guns at once And explode into space

Like a true nature's child We were born Born to be wild We can climb so high And I never wanna die

Born to be wild Born to be wild, ow
