## The Cult, Diamonds

Drop all your You ain't got nothing to say My girls no flirt she can walk and she walks like she talks

My girl fade away she got diamonds every day don't even when she walks away she's all mine she decides

She's got diamonds on the inside my girl she's got diamonds on the inside

she watch the world fade away --ignore every look that you throw down and she stands around

She's got diamonds on the inside she's my girl she's got diamonds on the inside she's my girl She's a diamond She's my girl on the inside she's my girl
