

The Cult, Electric Ocean

Oh yeah
Ah-ah
Oh yeah

Standin' at the shore
A hurricane calls my name
Beyond all I dream
The electric ocean

Oh yeah
Ah-ah
Oh yeah

The spirit is free
Where the wild things roam
Next to the sea
The electric ocean

Ocean of love (ocean of love)
I'm thinkin' of (I'm thinkin' of)
The place to be (the place to be)
Electric sea

Oh, yeah, yeah, yeah, yeah

Ocean of love (ocean of love)
I'm thinkin' of (I'm thinkin' of)
The place to be (the place to be)
Electric, electric sea, ow, yeah

Standin' at the shore
A velvet song calls my name
Beyond all I feel
The electric ocean

Ocean of love
I'm thinkin' of
The place to be
The electric sea

Ocean of love, yeah baby (ocean of love)
I'm thinkin' of (I'm thinkin' of)
The place to be (the place to be)
The electric, the electric sea
