

The Cult, Faith Healer

If your body's feelin' bad
and it's the only one you have
you want to take away the pain
go out walkin' in the rain.

You watch the flowers go to bed,
ask the man inside your head
Your spirit never has to grieve
all ya got to do's believe.

The faith healer

The faith healer

All ya got to do is feel
your body's going to start to heal

The fingertips of holy fire
everlasting sweet desire

It doesn't matter what the doctor said
the healer man will sail away

Immortality for two
the miracles, they will come to you

The faith healer

The faith healer

Let me put my hands on you?

Let me put my hands on you?

The faith healer

The faith healer

Faith, and hope and charity
the simple relativity

He can make you understand
all you've got to do is take his hand

It doesn't matter what somebody said

Ask the man inside your head

the fingertips of holy fire

everlasting sweet desire

The faith healer

The faith healer

Let me put my hands on you?(six times)

The faith healer.....(3 times and end)
