

# The Cult, Hollow Man

It's so nice to get  
Get away for a day  
I see a hollow man gun in hand  
Gun in hands it points my way  
He follows me everywhere and everyday  
I got to get away  
I won't miss him if he goes away and stays away

Just a hunter for the devil  
Hollow man hollow man hollow man  
Just a hunter for the devil  
Hollow man  
Hollow man
