

# The Cult, Love

C'mon now  
Wanna dig the scene?

Love, obviously, very soon, everybody  
Love, obviously, very soon, everybody

Oh, oh won't you love that sweet time?  
Oh, oh don't you love that sweet time?

Spent a long time on this road  
Spent a long time in this town  
Spent a long time in the wrong road  
Spent a long time in this town  
Gonna drive away in a big fast car  
Gonna drive away, won't get too far  
Gonna drive away, don't know how far  
Gonna drive away in a big fast car

Love, obviously, very soon, everybody  
Love, obviously, very soon, everybody

Oh, oh don't you love that sweet time?  
Oh, don't you love that sweet time?

C'mon now

Spent a long time in your hole  
Spent a long time in the wrong hole  
Spent a long time in this town  
I spent a long time in my town

Gonna drive away in a big fast car  
Gonna drive away, won't get too far  
Gonna drive away, won't get too far  
Gonna drive away, don't know how far  
How far  
Oh yeah  
In this town  
In my town  
In my town  
That's just my fee

Love  
Love  
Love  
I look for the grand conditions near her heart

Love...
