

# The Cult, Outlaw

Terrorize, prophesize  
Small town any place  
Prodigal son, hey loyal to none  
He had it all to say  
Renegade from another world  
Child, he was the wild one

Outlaw  
From the badlands baby, badlands baby  
Outlaw  
Tomorrow will never come

Jimi was a boogie man  
Took a shotgun in his hand  
Turned on dude candy-man  
He walked into the wrong town  
Deputy dog man wait inside  
Jimi thought he'd better hide  
Suddenly changed his mind  
Shot 'em all on sight, yeah

Outlaw  
From the badlands baby, badlands baby  
Outlaw  
Dizzy in the head and feelin' bad  
Bandito  
Fallen angel, out of time  
Outlaw  
Tomorrow will never come

Renegade from another world  
Child, he was the wild one

Outlaw  
From the badlands baby, badlands baby  
Outlaw  
Dizzy in the head and feelin' bad  
Bandito  
Fallen angel, out of time  
Outlaw  
Tomorrow will never come
