## The Cure, A Forest (2001 Mark Platti Mix)

Come closer and see See into the trees Find the girl While you can

Come closer and see See into the dark Just follow your eyes Just follow your eyes

I hear her voice Calling my name The sound is deep In the dark

I hear her voice And start to run Into the trees Into the trees

Into the trees

Suddenly I stop But I know it's too late I'm lost in a forest All alone

The girl was never there It's always the same I'm running towards nothing Again and again and again
