

# The Cure, (I Don't Know What's Going) On...

I don't know what's going on  
I am so up close to you  
I don't know what's going on  
I don't know what's going on  
I am so confused by you  
I don't know what's going on

Don't say anymore  
To me at all  
To me at all...  
Don't say more  
To me at all  
To me at all...

I am so in love with you...  
With you...with you  
I am so in love with you...  
With you...with you

I don't know what's going on  
I am so in deep with you  
I don't know what's going on  
I don't know what's going on  
I am so disturbed by you  
I don't know what's going on

Don't say anymore  
To me at all  
To me at all  
Don't say more  
To me at all  
To me at all

I am so in love with...  
You!
