

# The Cure, I'm A Cult Hero

I'm a cult hero  
A dream comes true  
You want to touch me  
But you can't get through  
I walk on water and I don't get wet  
I've got something you won't forget  
I'm a cult hero  
Paid my dues  
I'm a cult hero  
Got nothing to lose  
I'm a cult hero  
I'm a cult hero  
I'm ahead of my time  
You'll never rule me  
'Coz I'm all mine  
Bounce off of me  
'Coz I'm so strong  
My time is coming and it won't be long  
Save us!!!
