

# The Cure, Mr. Alphabet Says

Here comes the book  
the book of rules  
If you play this game  
you won't stay the same  
you could win your golden teeth  
be a spinning top  
Use a riding crop  
Mr alphabet says  
"Smile like a weasel  
as I cover you...  
cover you in treacle"  
We all know impatience  
is a sin..so do as you're  
told to do, it's so rewarding to...  
and you could win the tin man's heart  
be a chiming clock  
lie on the chopping block  
Mr. Alphabet says  
"Give me all your money  
Just to cover you  
cover you in honey"  
Don't be afraid  
There's no marmalade  
Don't be afraid  
I wouldn't even dream of it!
