

The Cure, Purple Haze (Virgin Radio Version)

Purple haze
All in my brain
Lately things don't seem the same
Acting funny but I don't know why
'Scuse me while I kiss the sky
Purple Haze all around
Don't know if I'm climbing up or down
Am I happy or in misery
Whatever it is
That girl put a spell on me

Help me Help me

Purple haze all in my eyes
Don't know if it's day or night
You got me blown
Blown my mind
Is it tomorrow or the end of time

Help me Help me
