

# The Cure, Purple Haze (Virgin Radio Version)

Purple haze  
All in my brain  
Lately things don't seem the same  
Acting funny but I don't know why  
'Scuse me while I kiss the sky  
Purple Haze all around  
Don't know if I'm climbing up or down  
Am I happy or in misery  
Whatever it is  
That girl put a spell on me

Help me Help me

Purple haze all in my eyes  
Don't know if it's day or night  
You got me blown  
Blown my mind  
Is it tomorrow or the end of time

Help me Help me
