You're such a strange girl I think you come from another world You're such a strange girl I really don't understand a word You're such a strange girl I'd like to shake you around and around You're such a strange girl I'd like To turn you All upside down

You're such a strange girl The way you look like you do You're such a strange girl I want to be with you

I think I'm falling I think I'm falling in I think I'm falling in love with you With you
