

The Cure, The Top

"I don't care"
If only I could say that
And not feel so sick and scared
"I don't care"
If only I could say that
If only my eyes would close...

"It's Jesus brilliant"
You used to laugh
"Walking these gorgeous blocks...
This top is the place
Where nobody goes
You just imagine
You just imagine it all... "

Every day I lie here
And know that it's true

All I really want is you

Please come back
Please come back
Like all the other ones do...

Please come back
All of you...
