The Cure, The Top

"I don't care"
If only I could say that
And not feel so sick and scared
"I don't care"
If only I could say that
If only my eyes would close...

"It's Jesus brilliant" You used to laugh "Walking these gorgeous blocks... This top is the place Where nobody goes You just imagine You just imagine it all... "

Every day I lie here And know that it's true

All I really want is you

Please come back Please come back Like all the other ones do...

Please come back All of you...
