## The Cure, World In My Eyes

Let me take you on a trip Around the world and back And you won't have to move You just sit still

Now let your mind do the walking And let my body do the talking Let me show you the world in my eyes

I'll take you to the highest mountain To the depths of the deepest sea We won't need a map, believe me

Now let my body do the moving And let my hands do the soothing Let me show you the world in my eyes

That's all there is Nothing more than you can feel now That's all there is

Let me put you on a ship On a long, long trip Your lips close to my lips All the islands in the ocean All the heaven's in the motion Let me show you the world in my eyes

That's all there is Nothing more than you can touch now That's all there is

Let me show you the world in my eyes
