

# The Damned, One Way Love

she don't care about your miseries

there ain't nothing you can do

shes just preying on your injuries

just makes you look a fool

(chorus)

i guess you better fall for another girl

before you fall from above

i guess you better find yourself another girl

cos all you got is a one way

a one way, a one way, a one way, one way love

a one way, a one way, a one way, one way love

one way, a one way, one way, one way love

one way, one way, one way, one way love

she ain't the cutie that you used to know

sh'e the fastest girl in town

she ain't worried whos been shooting her

but thats sure to come around

(chorus)

(repeat verse 1)

(chorus)

hey you take a trip from me

you gotta take a one way love
