The Damned, You Know

you got your plastic cards but you can't create you got your open bars but you can't relate grinning at your mirror, ugly as your smile you won't fool anybody not even for a while (chorus)

You Know(x4)

can't stop thinking of you baby of all the ways you go on don't try to tell me baby all your past it has gone you know we need you honey like I need a law your time is running out I guess we really oughtta go (chorus)
