

The Damned, You Take My Money

you take my money, you slap my face

you take my money, you take my place

you take my money, just get up and go

you take my money, and my fuckin stereo

(chorus) you take my money(x3)

you take my money, you mess me around

you take my money, its not gonna pounce

you take my money, so get no kicks

you take my money, make me feel real sick

(chorus)

you take my money baby

well don't be funny baby

I can get hard if you make me fight

you suck my honey baby

don't take my money

I don't need you, you know i'm right, alright

(chorus)(x2)

(repeat verse 1)

(chorus)
