

# The Dandy Warhols, Country Leaver

Well I'm going to see you soon in Amsterdam  
I can't believe I can get there but I can  
Man  
I hope when I see you that you're still likin' who I am  
I am  
But if you don't baby well I'll still tell you that  
I understand  
I'll tell you  
I I I understand  
I'm going to see you in a foreign land  
I'll pack my bags, oh lord  
I'm a travelin' man's  
Man  
I hope when I see you that you're still likin' who I am  
Oh yeah  
But if you don't baby  
Well I'll still tell you that  
I understand  
I I I understand  
If you don't baby well I'll still tell you that  
I understand  
I'll tell you  
I I I understand
