

# The Dandy Warhols, Minnesoter

Yeah, I could rock her  
Like a doctor  
If I found a way to get her off first  
I could own her, the crazy loner,  
If I found my way to Minnesoter.

In a slumber, I'm sawing lumber  
I saw my baby dance a Latin  
Number with her shirt off  
Man her skin's soft  
But in a mood she'd rather  
If I jerked off.

If I found my way to Minnesoter  
Minesoter, oh yeah.

Yeah, I could rock her  
Like a doctor  
If I found a way to get her off first  
I could own her, the crazy loner,  
If I found my way to Minnesoter.

If I found my way to Minnesoter  
Minesoter, oh yeah.
