The Dandy Warhols, Plan A

All of us

All of us sing about it

All of us

Sing about it

All of us

All of us sing about it

All of us

Sing about it

All of us

All of us sing about it

All of us

Sing about it

All of us

All of us sing about it

All of us

Sing about it

All of us

All of us sing about it

All of us

Sing about it

All of us

All of us sing about it

All of us

Sing about it

There must be some kind of plan a

For all the people who can manage

All of us who can handle it

With all of this damage

All of us

All of us sing about it

All of us

Sing about it

There must be some kind of message

Simple but somehow impressive

Anyone who can think of something

Come on now just express it

There must be some kind of plan a For all the people who can manage All of us who can handle it

All of us

All of us sing about it

With all of this damage

All of us

Sing about it

All of us

All of us sing about it

All of us

Sing about it

All of us

All of us sing about it

All of us

Sing about it

All of us

All of us sing about it

All of us

Sing about it

All of us

All of us sing about it

All of us

Sing about it

All of us

All of us sing about it

All of us Sing about it All of us All of us sing about it All of us Sing about it
